

SPECIALIST EYE SURGEONS

Your appointment at Specialist Eye Surgeons is on:

Our Moonee Ponds practice is conveniently located directly opposite the train station at Suite 1, 38 Margaret Street. If you are driving to your appointment, our clinic is close to the Coles carpark, there is 2 hour street parking nearby and also train station parking. Please see next page for a map.

When attending for your appointment, please remember to bring your referral letter, medicare and health care card, DVA card, and private health insurance information. If you are a new patient to our clinic we also advise you bring a written list of your current medications and eye drops.

Please note that Consultation times can vary depending on your eye condition, and may require up to 2 hours, especially if you are having eye drops administered, having testing, or any procedures. We recommend that you do not make any other arrangements close to your appointment time.

Dilating eye drops may be required to thoroughly examine your eyes, and your vision can be blurry for a few hours afterwards drops. For this reason, we advise that you don't drive to your appointment. Where possible, have someone drive you please attend with a companion who can drive for you or you may choose other transport options such as train or taxi. We also suggest you bring sunglasses as you may be light sensitive for a few hours.

Please see next page for map
